On Saturday, October 16th, WAHA will host a Mead & Cider Judging Clinic at Larry's Brewing Supply, prior to the Mead and Cider Cup (which all participants are encouraged to judge in). There will be discussion about mead and cider production, styles, and judging. Come to Larry's on Saturday the 16th from 8:45 am until around noon. The clinic is free for anyone who will be judging in the afternoon, however, a fee of \$10 will apply for anyone who comes strictly for the clinic (will include lunch, informational handouts, and sampling of various meads & ciders).

If you've felt unsure about judging meads and ciders or just want to learn more about these styles here's a couple of great opportunity to explore these interesting styles. Email [tim@bigalbrewing.com](mailto:tim@bigalbrewing.com) for further information and to reserve a spot.
