The following areas have been identified as potential projects for the WAHA to work on (*these projects are still in the definition phase, when more details are available we will publish them on the site*
):

- Centralized Washington Homebrewing Website
- One step access to find your local resources and information on how to get brewing and in touch with Washingtonâ€™s homebrewing community
- Club Locator and Profile Program
- Information on all of the different clubs in the state and a characterization of their activities (to be updated by clubs)
- State-Wide Homebrewing / Club Event Calendar
-
-
- A central calendar where homebrewers and clubs from around the state can post homebrewing events, including regularly scheduled club meetings, in order to identify activities to participate in and prevent conflicts

- A forum for promoting dialogue amongst Washington homebrewers

- Washington Homebrewing Mentoring Program
- Homebrewers around the state can volunteer to teach beginning or intermediate brewers in their area

- Educational Speaker Program
- Organized multi-club events aiming to bring a large crowd to hear an expert or guest speaker

- Washington Awards Program
- Bert Grant Award
- Awarded the "best of show of the brewers."
- Washington Homebrewer of the Year
- Recognition of the homebrewer who scores the most points in sanctioned WAHA competitions

- Washington Homebrew Club of the Year
- Recognition of the brewing skills and contributions of Washington clubs
- Washington Homebrewer of the Year
- Recognition of homebrewers who efforts help progress the Washington Homebrewing scene

- Legislative Action Coordination Program
- Coordination of the effort to reform our homebrewing laws to promote and nurture our hobby

- Judging Support Program
- Identification of BJCP judges willing to taste and evaluate local homebrewersâ€™ beer
- Coordination of BJCP study group scheduling
- Representation of Washington judges and support for judging education classes

- National Homebrewing Conference Preparation
- Organization for the effort to bring the National Homebrewing Conference to Washington

- Event orchestration after landing the conference
