Welcome to the Joint Novemberfest and Puget Sound Pro-Am Competition website.

For 2016, the two largest homebrewing competitions in Washington are once again joining forces for one major competition, bringing the best of both events into one. You'll get great feedback and have the ability to have your beer selected by a local brewery to be scaled up and brewed commercially, possibly for the [Great American Beer Festival](#) or [Washington Beer Awards](#) Pro-Am Competitions.

This is a Washington Homebrewer of the Year Qualifying Competition!

### **What is the Joint Novembeerfest and Puget Sound Pro-Am Competition?**

It is the intention of the Joint Novembeerfest and Puget Sound Pro-Am to provide homebrewers with an opportunity to participate in a first-rate competition and provide local breweries a chance to find homebrew recipes to scale up and brew commercially. All entrants are assured of receiving timely, constructive feedback from qualified beer judges. We intend to provide a forum for experienced judges to exercise their skills, and provide experience training for the next generation of beer judges. We welcome suggestions on how we can improve our competition.

This competition is unique in the fact that SEVERAL breweries will be participating and brewing multiple winning beers! Not only will your beer get judged in an AHA/BJCP ( [2015 guidelines](#) ) sanctioned event, but local professional brewers may taste and select your beer to be brewed on their systems and sold to the world!

Some of the breweries will be considering entering beers into the [Great American Beer Festival](#) Pro-Am category (entrants must be AHA members) and others may be looking at submitting to the [Washington Beer Awards](#)

Pro-Am competition.

judging notes available to the brewers throughout the selection process, it will take a little while to get you your score sheets.

**PLEASE UNDERSTAND THIS IS A NECESSARY AND WORTHWHILE SACRIFICE TO BRING YOU THE OPPORTUNITIES OF THIS COMPETITION!**

High placing brewers may be notified within a week after the initial judging. We may encourage advancing brewers to send in an extra bottle or two for the brewery selection if they are close. Breweries will select their beers 1 - 2 weeks later so please be patient.

After winners are selected, the breweries will work with the homebrewer to scale up and brew their recipe. Details will be worked out with the individual breweries to accommodate brewery, homebrewer, and "freshness" needs.

See the complete Rules for more details on entering the competition. For competition questions, please contact the organizer. For more information on the Pro-Am component of the competition, contact [Mark Emiley](#).

### Joint Novembeerfest & Puget Sound Pro-Am Competition Rules

This competition is only open to homebrewers (no commercial entries). Competition staff, judges, and stewards are eligible to enter. Judges and stewards may not participate in the judging of their own entries and safeguards will be taken to prevent judges from knowing who brewed the entries they are judging. All BJCP styles will be evaluated (only beer entries are eligible for Pro-Am selection).

The entry fee per entry is \$7.00. All entries MUST be registered online (link available on the competition website) – any exceptions must be coordinated with the [competition organizer](#). Competition helpers (judges, stewards, staff, etc.) get \$1 off each entry. Only 10 entries are allowed per entrant. Make out checks to Impaling Alers. The competition organizers reserve the right to close the online registration early if more entries are registered than the judges can adequately judge. (Estimated 500).

Brewers must provide 3 brown, 10-12 oz bottles for judging. Each bottle will be labeled with a bottle entry form (from the registration tool) attached with a rubber band (no tape or other labels). Markings on caps will be completely blacked out with a marker.

**Recipes for all entries will be submitted via the registration tool on the website.** The tool allows importing from brewing software that exports in BeerXML. Recipes that entrants desire to have eligible for brewery selection should include: the entire recipe, mashing schedule, water adjustments, fermentation profiles, and style category. If there is insufficient space for all ingredients, please include them in the "Specialty area." It is not necessary to print out the recipe form as all required information will be in the online tool.

All recipes and entries submitted become the property the Joint Novembeerfest & Puget Sound Pro-Am. Recipes selected by the breweries become the property of the participating brewery. The breweries retain the flexibility to change the winning recipe as necessary to accommodate their brewing equipment. The breweries retain the flexibility to choose the winning beer based on private concerns (marketability, balance to existing beer line, ability to participate in GABF or WABA Pro-Am Competition, etc.)

Entries must be collected by a participating club, mailed, or dropped off at Larry's Brewing Supply by November 7th (desired drop-off period is October 23rd– November 7<sup>th</sup>) or dropped off at the locations specified on the registration tool. Please call ahead before heading to any location to ensure they are open.

The AHA/BJCP sanctioned judging will be held on November 12th. Breweries will select the winners within few weeks of the initial judging. The winners will be announced shortly thereafter with results posted on the competition website. The recipe brewing dates will be scheduled in coordination with the breweries.

Winning beers from American Homebrewers Association members may be submitted to the Pro-Am competition at the Great American Beer Festival. Each AHA member may only have one beer continue to the festival. To join the AHA, visit [www.homebrewersassociation.org](http://www.homebrewersassociation.org)

Homebrewers must be AHA members at the date of competition (November 11th, 2016) and at the time of the GABF Judging (~October, 2016: membership will be verified by AHA – this rule
