Washington homebrewers,

The Washington Homebrewers Association would like to invite all homebrewers and beer lovers to hear the fifth speaker of the WAHA's Educational Speaker Program - [Jess Caudill](#) of [Wyeast Laboratories](#)

. Last year's talk was a great success and Wyeast has agreed to come back and talk some more.

Come to [Big Al Brewing](#) on April 8th to hear Jess speak about Berliner Weisse fermenting microbes and answer all of your yeast questions and answers. Come ready to learn more about your yeast and get all of your yeast questions answered.

Admission is free and the event is open to all homebrewers and beer lovers. We ask that people RSVP in advance at <http://tinyurl.com/wyeasttalk> .

We encourage people to come early, grab a few pints and support our host. All throughout the night you will be able to buy Big Al's great beers at the bar. **If you home some around, please bring a few bottles of homebrew for Jess as a token of our thanks!**
