BEERSTOCK 5060-5 Saturday, July 12, 2014

Yeah, Beerstock 5060 is, once again, in our near future, and on a full moon, no less!

If your brew club is interested in attending and/or setting up a booth from which to share you beer, and you haven't contacted Brian, yet, please email: Brian at zenbrew1@gmail.com

WHAT IS BEERSTOCK 5060?:

In the summer of 2009 Beerstock 5060 was the first, legal get-together of Washington homebrew clubs to taste each other's home brew and talk brewing across home brew club lines. Yes, it's like a homebrew beer fest!

Thanks to the passing of Bill 5060, after July 26th, 2009 it is now legal to have this type of event. This year Alison & Mark have gathered a choice group of people from a variety of clubs to help organize this year's event.

LOCATION: South of Seattle at a private Ski Park near Orting, Washington. Address: 17299 S. Pioneer Way, Orting, WA 98360
