We are happy to announce that Beerstock 5060-7 will take place on July 30, 2016 at the Ski Park outside of Orting, WA, again! This is the 7th manifestation of this homebrewer's beerfest with the purpose of bringing homebrew clubs together to share their wonderful brews and create new friends in the homebrewing community. Beerstock starts mid-day and continues into the night with enterainment and overnight camping. With help from our friends from the Lakewood Rotary Club, Beerstock is also a benefit to help eradicate polio worldwide.

If your homebrew club is interested in attending please contact Brian at zenbrew1@gmail.com . Happy Brewing, Alison Sheafor-Joy, Mark Joy & Brian Searfass
