Details - Please read as some things have changed!

1. This is a family friendly event. Both you and your kiddo's need to plan appropriate clothing/footwear for the environment; We are located on a farm.
2. This is a potluck. Please bring your favorite dish to share or something you can eat if you have specific dietary needs. We will provide breakfast nibbles for those early arrivals, coffee, tea, hot chocolate and something in a crock pot for lunch.
3. There will be a jockey box with available space to hook up your brews; Both pin and ball lock are available.
4. We unfortunately and unexpectedly lost both of our dogs Cooper & Jim, over the course of this last year. In previous years, we've welcomed your canine companions here at the cider press. We do have two new "puppies" that are currently learning the ropes on the farm and respectfully request that you make other arrangements for your pets and do not bring them this year. We appreciate your understanding.
5. Lastly, we've encountered some obstacles with typical kids doing typical kid things. As a matter of safety and responsible management of farm animals, equipment, and trash, we respectfully request that parents supervise their children **at all times**, while in attendance.

Please RSVP to attend. The quantity of apples ordered will be determined by your RSVP.

Cheers! Garry & Traci
