We regret to announce that due to the COVID-19 situation, Beerstock has been cancelled for 2020. We hope to have it back next year where they'll be keeping the "Big Lebrewski" theme!

Original Message

Just a quick note to mention that Beerstock 5060-11 is tentatively scheduled for Saturday, August 15 at Ski Lake Park in Orting, WA. This year's theme is THE BIG LEBREWSKI (but that's just, like, uh, our opinion, man). Please share this information with your club and start planning your booth and beverages.

Once you've spoken with your club, **please send us your club's name and contact info**(main contact person, club or personal email address the club uses, and your general location/city).

More information is coming soon with lots of opportunities to volunteer before, during, and the day after the event.

Your help is invaluable. Without you, Beerstock simply can't happen. So please consider being the hero *we know you can be*. Thank you (thank you, thank you) so much in advance. Let's make Beertstock 5060-11 the best (and smoothest-running) yet! Brina Burke
& your Beerstock Committee
